Trustees Okay Decorations for Fall Festival

Study Plumbing And Septic Code Project

A variety of matters ranging from pennants for the fall festival sale to the development of plumbing and septic tank code were considered by the Antioch Village Board at their monthly meeting held last Tuesday night.

The board gave its permission for pennants to be hung from street light standards during the fall festival sale Oct. 17 and 18.

It was arranged that village employees and equipment would be used for the job. The village will receive payment from the Chamber of Commerce.

The superintendent of public works was authorized to have one of the police cars repaired.

Mayor Murrill Cunningham suggested the possibility of purchasing an electric welder for use by the village. The board members tentatively agreed to the idea and referred it to a committee for a report on prices.

NEED AUTOMATIC CONTROL
The need for an automatic control for the village water system pump was voiced by several members of the board.

Installation by a village employee and the addition of the telephone charge to the village's present allowance with the Bell Telephone Co. were suggested as methods to defray the expense of the purchase.

The present water control system is considered imperfect by the board.

Chairman of the police committee Herman Holbek reported 34 cases in police magistrate's court last month and \$290 paid in fines.

WILL ATTEND CONVENTION

Several village board members will probably attend the annual convention of the Illinois Municipal League Nov. 9, 10, and 11 in Springfield.

The board voted expenses for the trip.

Antioch wants to acquire an area of low land at the foot of Turner Dr. adjacent to the sewer plant for possible expansion of the plant in (Continued on page eight).

STORM DESTRUCTION is viewed by the unlucky owners of this 1957 Oldsmobile, Mr. and Mrs. George Apperley of Groveland subdivision. The Apperleys, who just returned from a vacation Tuesday evening, found their auto totally demolished by a giant tree after the windstorm struck in full force. Residents in the area described the gusts as "tornado-like" in their punch. Damage reports are still coming in here and all over Lake County.

Shopping Area Back St. Plan Gains Momentum

The proposal of a street or alley to run behind the stores on the east side of Main street gained momentum at the village board meeting Tuesday night.

Robert Taylor of Taylor Shoe Store who has been an advocate of the plan, discussed possible routes for the street before the board.

The immediate problem is the means by which the street would be connected to Depot street to start at its north end. Plans call for the south end of the street to start at Park ave.

Alternative suggestions were by board members. The new street could swing east and meet Depot street beyond the heavily built up area running east on Depot street from Main street.

Another possibility is that the street might not have to meet Depot

street at all. A turnaround could be built at its north end, short of Depot street.

If the street were wide enough, one board member commented, even a turnaround might not be needed.

The principal use of such a street would be to provide easier access to the Main street stores for parking and delivery service. At present, narrow alleys create numerous bottlenecks in this function.

The board seemed to agree that such a street would be a valuable addition to the village. Taylor reported that many of the residents who live east of the Main street stores have offered to donate property to the village for a street construction.

The village would pay for the street construction.

Windstorm Causes Heavy Destruction

65 Mph. Gusts Uproot Trees; Saint Ignatius Church Roof Wrecked

Winds estimated at 65 m.p.h., tore through Lake County early Thursday morning leaving a path of heavy damage from the McHenry County Line through Lake Villa and parts of Antioch to the north side of Waukegan.

The heaviest winds hit Lake County shortly before 2 a.m. The brief strength of the gusts was preceded by several hours of hail and heavy rains.

The 1.32 inches of rain which fell in Antioch was reported as the heaviest in the county.

Trees and branches were blown down all over the county as were display signs and television antennas.

Lake County police agencies warned motorists and pedestrians to be on the lookout for fallen trees and dangling live wires.

FAMILY ESCAPES INJURY

The Tree Service in Antioch was kept jumping Thursday morning by reports in the Main street area, in Grass Lake, and near Indian Point.

A large oak tree on the St. Ignatius Episcopal Church property split open during the storm sending a heavy branch crashing through the roof of the parsonage and into

the front bedroom where Father Edmund Hood, his wife, Marlowe, and their four month old daughter, Carolyn, were sleeping.

The branch, about nine inches in circumference, smashed through the shingled roof and ceiling and penetrated about three feet into the room.

The limb stopped about two feet directly above Father Hood and his wife.

Mrs. Hood said that the branch "woke me coming through the ceiling. I had to wake my husband."

SHOWER OF PLASTER

"Plaster showered about the couple. Luckily, it did not hit the baby."

Mrs. Hood fixed the time of the incident at 1:45 a. m. "I'll never forget this," she commented.

The Hoods called Russell Stowe, a volunteer fireman and a friend of the family. He came to their aid.

Dick's Tree Service was clearing away the wreckage early Thursday morning. A member of the crew said that the roof was a total loss. (Continued on page eight)

Two Injured In Lake Villa Auto Crash

Two persons were injured in a fiery auto crash on Rte. 21 and 83 Sunday afternoon at Lake Villa's Grand avenue intersection.

A car driven by Arthur Burnett of Box 5, Salem, Wis., or his wife, Evelyn, collided head-on with another driven by Dr. Norbert Sandomier, 65, of Chicago when, according to police, the Burnett's auto was passing other southbound cars stopped for a red light.

Sandomier was traveling north on Rte. 21 and 83 at the time of the collision. The accident was reported at 5 p. m.

When police and the Lake Villa rescue squad arrived on the scene, one car still was burning.

Mrs. Burnett was rushed by the rescue squad to Victory Memorial Hospital where her condition was described as satisfactory.

Police believed she suffered a broken leg, broken jaw, and possible internal injuries.

Sandomier was taken to Condell Memorial Hospital by the rescue squad. His injuries, reported by police, were a broken leg and possible internal injuries.

Hospital authorities described his condition as satisfactory the following day.

Police say that the driver of the Burnett auto may be charged.

Name 3 New Firemen At Meeting

Three new members of the Antioch Volunteer Fire Dept. were approved at Tuesday's village board meeting.

The new men are Jack Palmer, William Holt, and Frank Keuchenmeister.

James McMillen, a former mayor of Antioch, is among several firemen who have recently retired, leaving the vacant posts.

McMillen, former chief of the fire dept. gave his health as a reason for dropping his firefighting duties.

McMillen's uncle, A. A. McMillen, was one of the fire dept. founders in Antioch.

Clarence Shultis, village clerk, and Robert Hunt have also retired from the fire dept.

Publication of The Antioch News will be scheduled for entry in the Thursday morning mail.

News deadlines have, therefore been moved up 24 hours.

Report Finishing \$6,900 Street Repair Project

The completion of \$6,900 worth of street repairs in the village of Antioch was reported by the chairman of streets and lighting John M. Blackman at Tuesday's board meeting.

Earlier in the evening, the board authorized the transfer of \$5,000 from the general sales tax revenue fund to the road and bridge fund to help cover the cost of repairs.

Blackman told the board that "a lot of streets have been paved, and the entire project is coming along well. We'll be getting at the sidewalks soon," he added.

At the same time Blackman and other members of the board took note of a complaint about the village lighting. It was agreed that the light system here leaves much to be desired.

The south end of Main street was

singled out as a particularly bad area.

Blackman reported that lights had been placed at the end of Bishop street during his regular report.

Superintendent of public works E. S. Simonsen said that the village will begin painting crosswalks and warning signs on streets this month.

The village board received a legal description for the road which has been built through Sequoit Acres subdivision to detour potential industrial traffic in the adjoining area.

The road runs from Anita street east and then swings south, finally ending at Rte. 173 a quarter mile east of the Soo Line railroad tracks.

A problem of street numbering by the right angle curve of the street will probably be solved by re-naming part of the road.

Name Lake Villa Building Commissioner

A new building commissioner was named at this week's meeting of the Lake Villa village board.

He is Don Collins, who has been a maintenance employee with the village for the past several months.

Collins will be in charge of all building inspections. Two assistants who will specialize in plumbing installations and electrical fixtures, are to be named at a later date.

The issuance of building permits will still be handled through the village clerk's office.

The village board asked the local VFW post to assume the duties of cooperating with the Lake County Safety Commission in its efforts to have the various incorporated communities keep a running count of traffic fatalities.

First Fall Chamber Meeting Scheduled

Next regular meeting of the Chamber of Commerce will be held Oct. 20 at the Ruralite in Antioch. It will be the first fall meeting of the chamber and husbands and wives of members are invited, says Bernard Osmond, president.

Vote 'Accident' in Six Death Inquest

A lengthy inquest for the six area residents killed in a two car smash-up on Rte. 83, near Grayslake, failed to clarify the circumstances of the tragedy.

A verdict of "injuries accidentally received in the accident which occurred late in the afternoon of Sept. 29" was brought in by a six man jury Wednesday afternoon in Strang's Funeral Home, Grayslake.

The jury's decision was made following over two hours of testimony which brought forth conflicting details of the collision.

It is apparently established that one car driven by LeRoy Dahle, 37, of 1403 Ridgeway Ave., and heading south on Rte. 83 collided head-on on a knoll with another car coming north driven by John R. Plunkett, 38, of RFD 1, Trevor, Wis.

Plunkett had four passengers: David A. Strattan, 51, of Woodcrest Subdivision, Channel Lake; John C. Skrinkus, 46, of 1014 Oakwood Dr., Round Lake Beach; Mrs. Alberta Caspar Missak, 48, of RFD 1, Lake Villa; Frank Malva, 63, of RFD 3, Antioch.

Both cars were turned upside down on the side of the road by the impact. All six persons were appar-

ently killed instantly. An investigation of the wreckage (Continued on page eight)

Scout Fund Drive Begins

Antioch businessmen will be asked to contribute to the Boy Scout Fund drive beginning Friday.

A goal of \$2,000 has been set for solicitations from business organizations and from general solicitation. Residential canvassing will begin in the near future.

Chairman of the business solicitation is R. N. Hawkinson.

More than 200 boys are registered in the scouting program here.

Lake Villa Congregation Moves Into New Church

Members of the Community Methodist church in Lake Villa will worship in a new church building this Sunday, the Rev. Gerald Robinson said this week.

The new construction on McKinley avenue has just been completed at a cost of \$135,000. It features a modern design using beige brick andannon stone as basic materials.

Included in the construction is a sanctuary which seats 200 persons, the church office, the pastor's study, a kitchen, dining room, church school rooms, and a choir rehearsal room.

An overflow crowd of up to 50 persons can be accommodated by a lounge at the back of the church

underneath the choir loft.

Important planners in this project were John Perry, chairman of the building committee; Warren Brown, chairman of furnishings; William Cooley of Park Ridge, architect; Roy Nordstrom, general contractor.

The Community Methodist Church was founded in Lake Villa 88 years ago. The congregation elected the building used until the present time, in 1884.

The white frame construction was first located on Rte. 21, a mile south of Grand avenue. In 1893, the church was moved to its present location at the corner of Rte. 21 and Cedar avenue.

STILL SECRET is the appearance of the sophomore class float which was being built Tuesday night by many hands. A News staff photographer thought he would sneak down and get a peek, but he got there too soon to make head or tail of their production. The homecoming theme is "Indian Summer" and the completed floats will roll down Main street Saturday morning.

The Weekly Newspaper

The weekly newspaper is intensely concerned with the people and events of its own area, and only concerned with more general topics as they relate to the local scene.

Its function is to serve the community, and its goal is to be accepted as a community institution.

The success of a weekly newspaper is measured by the completeness of its coverage, including both the big and the little story.

This success, and the resulting value to the people and groups served by the newspaper, is dependent in large measure upon the many sources which supply information to be made public.

The care and accuracy of news releases and the observance of newspaper deadlines by information sources is vital to a properly operated weekly newspaper.

The honesty and cooperation of people who hold public position is equally necessary.

To supplement these contributions to the community, the newspaper itself must be as intelligent and responsible as time and effort can make it.

The Antioch News intends to fulfill these obligations.

The New Court House

This truly is an amazing age. We're shooting for the moon and we're building giant projects without spending any extra money. Two projects in Lake County—one proposed and one built—point this out.

The just-completed section of the Tri-State Tollway though costing millions of dollars was built without costing taxpayers a cent. Now the Board of Supervisors wants to build us a new court house costing \$2,550,000—and it won't cost us a single extra penny!

It's not a matter of high and tangled finance that gives the answer—it's merely a plan to pay for the expensive bonds for construction out of usage money. The tollway commission hopes to make the super road free after 25-40 years when user's fees have paid for the bonds. The same with the county courthouse plan—fees going to

"A newspaper that never spoke its own mind would not be, to our notion, much satisfaction to publish or read."

-A Weekly Newspaper Editor

the six fee-collecting offices will pay off the bonds issued in less than 10 years.

If it all can be done, we certainly have no complaint. Let the Board build us the finest and most magnificent courthouse ever. But there seems to be a couple of things which need elaborating upon. We've had it explained twice but still can't see, first: once diverted to bond payments, what money will replace that office fee money now going into the corporate fund, and second: just what kind of a building will the supervisors build for us?

These questions must have answers and if satisfactory, there is no reason why taxpayers should not vote "OK" to the bond issue. The News would prefer to wait and see for a couple of weeks but we will get answers and give them to you.

N. D.

Planning and Zoning

The Village of Antioch has a population of at least 1,800 persons. It maintains its own shopping area and recreation facilities. It is largely self-sufficient.

A large area of relatively undeveloped land was incorporated sometime ago in the annexation of Oakwood Knolls subdivision.

The addition to the village of other adjoining areas may prove desirable in the future.

It is time to consider a village planning commission and the eventual introduction of a zoning ordinance to regulate Antioch's steady growth.

Residential areas must be properly separated from business and industry in these undeveloped areas. The downtown area must be stabilized.

Industry, in its proper place, may be a welcome addition to the area. But it would be a blight if left unchecked.

Planning and zoning is a difficult and lengthy step in civic growth. Its completion would undoubtedly take many months of hard work. Caution is a valuable asset in preparing the formula which will affect its entire future.

But the proper caution that is to be exercised is not the same thing as a lack of public interest which may prevent the village officials from undertaking the task.

Village planning and zoning pressed forward now is vital insurance for the future.

Letters to The Editor**From The Editor**

The reader is invited to send his opinions or comments on any subject.

They will be printed in this column each week.

Due to space reasons, letters must be confined to 200 words or less.

The name and address of the sender must accompany letters. Initials will be used in publication when requested.

Editor, Antioch News:
We want to thank you so very much for your kindness in putting in our daughter's wedding announcement. It was very well done. We also like the interesting new lay-out of the paper. It calls attention to things we couldn't find before, and ought to win approval by most folks.

Again our sincere thanks.
Sincerely,
Mrs. Calvin P. Midgley
Lake Villa.

County Assessors Go On Record Against Property Tax

Declaring the Illinois personal property tax law antiquated, unfair and unworkable, the Lake County Assessors Ass'n has launched a campaign looking to the abolishment of this unpopular revenue measure by prompt legislative action. As far as known, this is the first organized move by elected public officials to bring about a long sought reform.

As a substitute means of providing funds for school support and other local needs, a small increase in the state sales tax is proposed. This plan, the outgrowth of a tax-payers' opinion survey conducted throughout the county, will correct the inequalities of what is held to be an archaic law, and will impose no hardship on anyone.

The Lake County movement seeking to abolish the personal property tax was initiated at an assessors' association meeting held in Libertyville Oct. 2.

Scouts Commence Training Course

Ten members of Boy Scout Troop No. 91 of Antioch completed the first phase of a three part training course for junior leaders training conducted by the North Shore Council this week.

The first part of the course was a three day camp out at the Wilmet gravel pit, beginning Oct. 3. A trip camp out and a troop hike

will follow.
At the Court of Honor held last week at Legion Hall Ken White, Harold Nelson, and Lee La Flamme were elevated to second class while Wayne Bentel was made first class. The men's committee meets the third Monday of each month.

Total of paid personnel at University of Illinois is 10,054 with 4,986 administrative and academic and 5,068 nonacademic.

Lake, Cook Counties Among Those Not Using State Microfilm Service

Lake and Cook counties, the state's most populous, have yet to be heard from in Secretary of State Charles Carpenter's offer to have important records microfilmed and stored in the State's Archives building.

Ten counties now have taken advantage of the state's offer to microfilm and store important documents as further protection against loss by fire or other disaster, Sec. Carpenter said this week.

Montgomery county is the latest to join the growing list of counties using this service. Montgomery county's Board of Supervisors authorized the records of the county clerk and circuit clerk and recorder to be filmed.

The file at the Archives building now totals 3,177 reels, amounting to 317,000 feet of film. That amount is about three million document images, the secretary said.

The program began in the early 1940's when a flood damaged some records of Alexander and Pulaski counties. In recent years, several counties have microfilmed their own records, eight of them filing additional negatives with the archives. Positives have been kept in the counties.

In Lake county, the Board of Supervisors is conducting a campaign for a new courthouse building with one of the planks of the program resting upon the need for a safe storage place for records. The Board proposes to build a fireproof building and move all original documents to the new location.

For the first time in this century, America is growing wood faster than it is being removed by harvest and killed by fire, insects and disease.

SOCIETY EVENTS

FRIENDS SURPRISE Mrs. Mary Pechousek on her 80th birthday. A party was held last Sunday afternoon. Mrs. Pechousek is still an active member of the church and participates in civic affairs. Mrs. Pechousek is seated on the front row. From left to right behind her are: Mrs. Wm. Cooper, Mrs. Nellie Hanks, Mrs. Arthur Swanson and Mrs. Earl Hays. Standing are Mrs. Fred Hawkins, Brian Hallwas, Mrs. Curtis Wells, Mrs. Emil Hallwas, Mrs. John W. Horan, Mrs. John L. Horan, Mrs. Howard Gaston, Mrs. Ernest Simons and Mrs. Howard Smith.

Rainbow Girls Meet Monday

There will be a regular meeting of the Rainbow Girls on October 13, at 7:30 p. m. Faye Mann will preside over her first meeting as worthy advisor. She and her committee will serve refreshments after the meeting. The Antioch Rainbow Girls have been invited to attend the public installation of the Millburn Assembly. Diane Mantis, who is a past worthy advisor of Antioch assembly, will act as installing recorder. The installation will be held on October 11.

Marie Bushing Named To Class Office

Miss Marie Bushing, daughter of Mrs. Marie Bushing of Antioch, was recently elected as secretary-treasurer of the sophomore class at Blackburn College, Carlinville, Ill. Blackburn, a small liberal arts college, emphasizes a general education and is noted for its work plan. Part of the duties of the secretary-treasurer include planning and organizing the year end activities such as class picnics and banquets.

Announce Christian Service Meetings

The Woman's Society of Christian Service has planned a meeting next Tuesday at the home of Mrs. John Quinn, State Line Road. Mesdames O. W. Turner and Ray Bruhn are circle chairmen. There will be meetings next Wednesday at the homes of Mrs. George Grunow, Mrs. Frank Hennig, and Mrs. John Wagner. These meetings are all scheduled for 1 p. m.

Son Is Born

Mr. and Mrs. Robert Lubkeman are the parents of a son born Sept. 26, at Wurzburg, Germany. Robert is the son of Mr. and Mrs. Art Lubkeman of Antioch, and Mrs. Lubkeman was formerly Miss Annette Erickson, daughter of Mr. and Mrs. Roger Erickson of Oak Park.

L. V. Women Get Sewing Hints

LAKE VILLA—Women's club members saw a demonstration on how to make items for Christmas at the regular meeting Wednesday night at the Village Hall. Giving the demonstration was Mrs. Richard Erickson of the Erickson Sewing Center of Antioch.

Antioch Sends 69 To 3-Town C of C Dinner - Golf Party

Antioch was best represented of three towns at the first joint Chambers of Commerce party held recently at the McHenry Country Club, reports Bernard Osmond, president of Antioch's chamber.

It was only a social gathering, but it was first step to cooperative programs by the business units in this area, he said. Towns sending members were Antioch, Round Lake and Fox Lake. Ray Jensen was chairman of the local ticket-selling campaign which resulted in 69 Antioch representatives.

High School Hosts Guidance Group Tues.

Antioch Township High School will be host to the Lake Shore Guidance Round Table at 7:30 next Tuesday.

The program will be concerned with "Mental Health in the School." Mr. George Holmes, psychiatric social worker, and Dr. Thomas Thornton, clinical psychologist, will lead the discussion relative to the handling of emotional problems of students. Both panelists are from the North Lake County Mental Health Clinic in Waukegan.

Altar Soc. Sponsors Fall Fashion Show

The Altar and Rosary Society of Prince of Peace Church, Lake Villa, will hold its third annual fashion show at the Lake Villa school auditorium, next Wednesday at 8 p. m. The Hein's Department Store, of Waukegan will again show its fall fashion line to the guests.

W. S. C. S. RUMMAGE & BAKE SALE OCT. 24

Members of the Woman's Society of Christian Service will hold a rummage and home bake sale at Wesley Hall, from 9 a. m. to 6 p. m., Friday, October 24. Anyone having donations of rummage may leave it at the hall at any time.

The Lake Villa Prince of Peace Holy Name Society will receive Holy Communion at 8 a. m. mass Sunday. A breakfast for the men will follow.

John Schinder and Wilbur Madson are co-chairmen of the annual Thanksgiving dance and turkey party to be held Nov. 15 in the Grayslake Legion Hall.

Prange Search Goes on; Await Personal Effects

"We will continue to press our search." An announcer for the radio station in Missoula, Mont., made this promise to Eugene Prange's mother in a letter she received this week.

It will be a month Friday since the Lake Villa boy was lost, presumably in the rugged wilderness of the Mission mountain range, but rangers and students who knew the 20-year-old woodsman are still combing the area during every spare moment.

Ron Richards of station KGVO in Missoula said that radio broadcasts would ask hunters now coming into the area, to be on the lookout for any sign of the missing boy.

Meanwhile, Prange's mother and stepfather, who are residents of Loon Lake road, are waiting for "Gene's" personal things to be returned from the west.

A number of the articles will be placed in a permanent memorial for young Prange in the Antioch Scout House.

The memorial ceremony date is to be scheduled when the articles arrive, scoutmaster James Horton said.

Gene's mother said that the memorial was an honor for her son. "I'm sure that this is where he would want his things to be since the scouts meant so much to him," she added.

Miss Iva Baldwin of Elgin was the guest of her sister, Mrs. Frank Runyard, Monday.

Mrs. Myrtle Hufendick of Chicago spent the week-end with her aunt, Mrs. Effie Nelson.

Receive Civil Service Job Bids

Miss Kathryn Groot, Personnel Officer from the United States Department of State will be in Chicago from Oct. 14 through Nov. 1, to interview applicants interested in Civil Service and Foreign Service stenographic and secretarial positions.

The Civil Service positions with the United States Department of State in Washington, D. C., offer such benefits as liberal vacations and annual salary increases. The starting salary for a stenographer is \$3755 and for a secretary it is \$4040 a year. Applicants must be American citizens in good health and at least 18 years of age. A typing speed of 40 words a minute and a shorthand speed of 80 words a minute are required.

Despite tremendous increases in timber demand, no acute timber shortages are likely, says the U. S. Forest Service. This favorable condition in the nation's timber resources is due largely to the voluntary American Tree Farm system.

Petite Lake News

Correspondents:
Mrs. Earl Beese—Tel. 532-W-1
Mrs. Walter Johnson—Tel. 532-M-1

The annual meeting of the Resthaven Community Association was held on Sunday, Oct. 5, with 123 members present. Mr. George Bury presided in the absence of Mrs. Alice Johnson, president. The permanent officers were elected as follows: Mrs. Johnson, Petite Lake, president; George Bury of Chicago, vice-president; William Landwer of Oak Park, treasurer; and Mrs. Barbara Beese, Petite Lake, secretary. Three trustees were also elected as follows: John Bletsch, Petite Lake; Clem Cybul, Chicago, and Mr. Richard Hansen, Berwyn, Ill. The association appointed a ways and means committee to work on projects to raise money to improve the subdivision, and also decided to number their houses according to lot numbers in order to help the Antioch police, fire and rescue squads in their speed in answering calls.

The Walter Johnsons (Alice and Walt) of Resthaven Terrace, Petite Lake, had a real week-end in New York, where they saw one of the World Series games. They shared this week-end with five other couples, Walt's boss and others that he works with. They flew both ways and Alice reports that this was quite a thrill for her, being her first airplane trip. In addition to the game they saw all the sights of New York and to put it in Alice's words, were "typical tourists." Sounds like lots of fun!

Mrs. Wilbert Schaefer entertained a large group of friends for "coffee and", after a demonstration of home products in her home at Petite Lake, on Thursday, Oct. 2.

The monthly committee meeting for Pack 80, Grass Lake, was held in the home of Mr. Earl Beese, Cubmaster, on Oct. 2.

The Girl Scouts of Troop 6 enjoyed a skating party on Friday, Sept. 26 at the Twin Lakes Roller Rink. About 27 girls attended, and were accompanied by their leader, Mrs. Belle Hribar, Mrs. Jean Reed, her daughter, Bonnie, a senior scout, and Mr. and Mrs. James Ferrier, and Mrs. Ethel Meyer. All the girls had fun and plan to do this more often.

A farewell luncheon was given for Mrs. Marilyn Dobson, Bluff Lake, by her sister, Mrs. Elaine

Now you can

save at least 20%

and combine

all your essential
home insurance in a
single, simplified policy

Brand-new idea in insurance! The new Homeowners Policy protects you against loss caused by fire, theft, lightning, wind, explosion, hail, riot, vehicle and aircraft damage, vandalism and smoke.

It covers your house and other structures on grounds . . . your household goods and personal property . . . your personal liability . . . and your additional living expenses caused by any of the above perils.

Think of it! All your essential home insurance in a single, con-

venient, money-saving policy. And you get all this protection for a single, low premium — which is at least 20% lower, in fact, than what you'd have to pay if you bought separate policies.

Why wait? Stop buying your insurance piecemeal. Stop paying that extra 20%! Stop cluttering up your desk with a separate policy for almost every coverage. Simplify your insurance — know what you have — get superior coverage at the least cost. And you don't have to wait until your present insurance expires.

Reading of Heating Bids Held Over

Only one bid was submitted for the installation of a heating plant at the village garage, located next to the septic tanks at the Tuesday meeting of the village board.

Legal requirements demand that at least two bids be heard by the board on a village project to preserve the competitive nature of the contract.

Therefore, the board decided to hold over the bid until at least one other figure is submitted. The new hearing will be held Friday at 8 p.m. in the village hall.

The contract specifications call for the installation of a heating plant, the construction of a chimney, and the addition of a heat distribution system.

Lake Villa Spots Turn In Gambling Stamps

Two Lake Villa night spots were among the 17 Lake County tavern and night clubs which turned in federal gambling stamps to the Illinois Liquor Control Commission.

The Lake Villa places are the Fourth Lake Resort, owned by Leo Johnson, and Ray's Tavern, RFD 1, Box 187, owned by Raymond F. Wehrs.

Chairman of the liquor commission Loren Sackett, has threatened to revoke liquor licenses of tavern and night spots who are found to possess gambling stamps when the owners are called to a hearing.

Hearings for eight Lake County taverns and night spots located in North Chicago, Lake Bluff, and Highland have been scheduled for Oct. 14.

Federal gambling stamps are required for operation of slot machines and pinball machines. They are purchased for \$250 each.

Autumn Leaves, Wooden Nickles Treat Shoppers

Merchandising events always mean renewed interest in buying for shoppers.

This week two local merchandising events are serving to hold up shopper enthusiasm until the Fall Festival Sale sponsored by the Chamber of Commerce takes the spotlight next week-end.

Russell Barnstable co-owner of Barnstable and Brogan in Antioch is giving away a six-foot shade tree in a contest which has shoppers estimating the number of autumn leaves in a show window of his store. Response has been very good he reports.

The contest ends Saturday night at 5:30 when the tree winner will be named. The contest is held in cooperation with the Lee Rider Co., makers of heavier clothing for work and play.

"Don't let anyone tell you 'it isn't worth a wooden nickel'" anymore because Joe Patrovsky of the Antioch Packing House says it is.

Just beginning this week and announced in a 1/4 page ad in the News is a plan to make his JoPat Brand wooden nickels worth 25c each. For each \$10 retail purchase at the packing house he will give a wooden nickel good for redemption after Nov. 20 and until the end of the year.

Keulman Jewelry Remodeling at Half-way Point

Remodeling of Keulman's Jewelry now is at the half-way point reports C. R. Keulman. He hopes it will be completed by Nov. 10.

Begun three weeks ago, the project will end when new display cases have been installed and all merchandise now stored for the duration of the work period is set up. The store is not closing during the alterations.

The interior has been repainted in gray tones to contrast with new pastel show cabinets and new tile flooring.

When the project is completed, Keulman reports that his RCA Victor television line will be better displayed and his selection of clocks, believed to be the largest in the lakes region, will be shown to better advantage. New stock also has been purchased for the refurbished store, he said.

Lions' 'Presidents' Night' Is Monday

The Antioch Lions Club will hold its past presidents' night Monday at the Norshore Resort, North Ave., Lake Catherine.

The program, which is to include the introduction of all past presidents of the club, will get underway at 7 p.m.

Edmund F. Vos, the first Lions Club president, will speak during the program.

ATHS Homecoming Days Begin

QUEEN CANDIDATES pose becomingly before the judging which will select one of the Antioch girls at the homecoming coronation Saturday night in the high school. The young ladies are left to right (front row): Carolyn Irvin, a junior; June Dressel, a sophomore; Carole Plotzke, a freshman; (back row) Ione Cribb, a senior; Elaine Christensen, a senior; Kitty Saylor, a senior. It is customary to choose a senior as Queen. The other girls will compose the queen's court.

Move Highway Equipment Into New Garage

Highway maintenance and snow removal equipment will be moved into the new Antioch Township garage by the middle of next week, according to township supervisor Lloyd Murrie.

Murrie said that the new central location will undoubtedly aid the township highway crews give better and faster service.

The new building, located in Sequoit Acres subdivision, east of the Soo Line railroad tracks, was built at a cost of \$8,000.

The funds were provided from the now defunct Collector's office. Each year the extra money allotted for the operation of that office had been returned to the township.

This year the money was put in a special building fund, and the garage completed last week was the result.

Murrie said that four or five major pieces of equipment would be housed in the garage. Before this, space always had to be rented for the highway machines.

"The candidate who challenged his opponent to a lie detector test might start a new trend in political campaigning," Sally Stratton.

Heavy Fog Covers Area

Heavy fog settled over this area and most of northern Illinois last Wednesday, posing a threat to motorists.

Antioch experienced its worst pocket of the fog early Wednesday morning and again towards sundown.

The mist was mixed with light rain which fell intermittently throughout the day.

The advance forecast for this area calls for above normal temperatures in the next few days.

Address System Near Completion

The completion of an address system for Lake Villa is imminent, a spokesman for the planning commission announced at this week's village board meeting.

The village's new plan calls for the use of Rte. 21 as an east-west dividing line in the numbering.

When the street numbers are assigned to all structures, owners will be given notice to mark the buildings properly in compliance with the village ordinance.

The new street system will be the product of months of planning.

List Girl Scout Meeting Attendance

The meeting of the Lakeside Council, girl scouts, on Sept. 29 at Lake Villa Grade School was attended by the following:

From Antioch: Mrs. Mary Bruski, and her co-leader; from Channel Lake: Mrs. Lois Ward and her co-leader, Mrs. Cecelia Portalski; from Grass Lake: Mrs. Belle Hribar, neighborhood chairman, Mrs. Jean Reed, Mrs. Jean Mueller, Mrs. Grace Kersten, Mrs. Charlotte Queen, Mrs. Barbara Mitchell and Mrs. Bernice Schwab.

Hold Scrap Drive

The Holy Name Society of Prince of Peace Church will hold a scrap drive Oct. 18.

Parade, Coronation Dance, Pep Rally Included In 2 Day Affair

A giant homecoming parade will highlight two days of exciting events in Antioch as parents and old grads reach back for their high school days.

Floats, bands, fire trucks, marching units, and a myriad of colorful and noisy spectacles will swell the ranks that march down Main street Saturday morning. The homecoming theme this year is "Indian Summer."

Parade units will include school classes and clubs, business and civic organization entries, and village equipment on display.

It is estimated that up to 50 separate units may form at 10 a.m. in the Antioch High School's north parking lot.

When the order is completed at 10:30 a.m., the gala array will move out toward Main street and through the village. At Orchard street the parade turns left to Broadway and comes steaming back towards the south end of the village, on that street. The parade will disband back at the parking lot.

Meanwhile judges placed along the parade route will be tallying up their score cards to pick the best floats of the day.

Salem Central High School Elects Class Officers For 1958-59

Salem Central High School has elected its class officers for the school year 1958-59:

Freshman officers include: President, John Lentz; vice president, Glen Schultz; secretary, Geraldine Weis; treasurer, Jean Day; Advisor, Mr. Roger Terry.

Sophomore class officers include: president, Tom Wagner; vice president, August Aguerro; secretary, Gail Flachsenner; treasurer, Carol Schultz; advisor, Mr. William Becker.

Junior officers include: president, David Erickson; vice president, Ronnie Yates; treasurer, Diane Hansen; treasurer, Eugene Schultz; advisor, Mr. Malcolm Alby.

Senior officers include: president, Aileen Terry; vice-president, Gene Wierzgac; secretary, Shirley Frederick; treasurer, Judy Epping; and advisor, Mr. Louis Valente.

All class officers and the president of each club will comprise the student council with John Daily as advisor.

The announcement of the winning floats is expected some time during the Sequoit grid clash with Grant High School on the high school field.

Parade floats will be kept in view at the school during the game. Parade band units include the Antioch High School band and the Lake Villa Grade School band.

The float divisions to be judged include student entries, commercial floats, and student car decorations. First, second, and third prizes will be awarded in each category.

A mammoth bonfire will be ignited at a pep rally Friday evening in the south parking lot of the high school.

The blaze will be set about 8 p.m. Following the rally, a sock hop will be held in the high school's boys' gym. It was the students' desire to do away with the old snake dance in favor of the social affair.

The homecoming game will start at 2:30 p.m. The frosh-soph will play at 12:30 p.m.

The official homecoming dance, a high point in the school social calendar, will begin at 8:30 p.m. when the first strains of Art Smejkal's orchestra drift through the gym-turned ballroom for the night.

Decorations will follow the "Indian Summer" theme.

The climax of the dance, and of the homecoming weekend for many, will be the Queen's coronation. She and her court will be presented to the audience with their escorts.

The senior members of the court, from whom the queen is chosen by custom, are Elaine Christensen, escorted by Russ Cote; Ione Cribb, escorted by Vince Nauseda; Kitty Saylor, escorted by Bill Dressel.

The junior member of the court is Carolyn Irvin, escorted by Dick Gudgeon; the sophomore is June Dressel, escorted by Chuck Schuth; the freshman is Carole Plotzki, escorted by Jerry Mathews.

A Wooden Nickel Worth A Quarter ??

Don't let anyone tell you "it isn't worth a wooden nickel" — because at Antioch Packing Stores, our wooden nickels are worth 25c in trade.

It's Easy • It's Fun • IT SAVES

Save Now and Get Your Turkey FREE

- 1 For each \$10 purchase, or an accumulation of \$10 in purchases, you get one "wooden nickel."
- 2 Redemption can be made anytime after Nov. 20 and before Dec. 31.
- 3 SAVE as you Buy! And SAVE again when you turn in your "wooden nickels". Each is worth 25c in trade.
- 4 Wooden nickels given only on retail sales.

Antioch Girds For Homecoming

Sequoits Lack Spirit In 16-7 Loss To Round Lake Matched Against

Teams Play
In Heavy
Windstorm

Antioch's Sequoits blew a ball game in more ways than one as they dropped a 16 to 7 decision last Saturday at Round Lake.

The contest was played in a terrific wind which completely nullified any aerial attack and evidently disrupted the entire Sequoit offense.

Round Lake concentrated on containing the Antioch ground game and did so completely after a brief scoring spurt by the Sequoits in the first period.

Antioch gave every indication of swamping the Panthers, who had won only one previous game in nine conference contests, as they chalked up 41 yards in the first quarter.

They scored early in the second period on a six yard pass from Russ Cote to Bill Dressel, but from that point seemed to be absolutely lifeless as Round Lake gradually took charge of the battle.

The Panthers scored in the third quarter after recovering a fumble on the visitors' 37 yard line. Frum broke free from that position and streaked through the Sequoit defense for the TD. Reinhofer converted to tie the score at 7-7.

It was Reinhofer later in the third period who flashed down the field in a 70 yard scoring sprint. Antioch gained a reprieve when the play was nullified by a penalty.

But luck wasn't enough Saturday. Reinhofer scampered into paydirt again early in the last period and added the extra point on a run.

The final points were added when Pyles' punt was blocked in the Sequoit end zone.

Antioch's helplessness is demonstrated by the fact that they made only 12 yards rushing in the final three periods of play.

They added only 29 yards through the air during the entire game.

In analysis, assistant coach Bill Baird, subbing for coach Robert Walther whose father died last week, said that his squad's mistakes "were not atrocious." It was more a question, according to Baird, of losing the spark of confidence after an early illusion in the game.

Baird ruminated that the quick first touchdown may have done more harm than good.

He also mentioned that the team felt an over emphasized need to pace themselves in the warm weather of afternoon games.

Their lack of success in this maneuver during last week's game may have discouraged this practice for once and all, said Baird.

Lake Forest Blasts
Wauconda 34-0 For
Third Straight Win

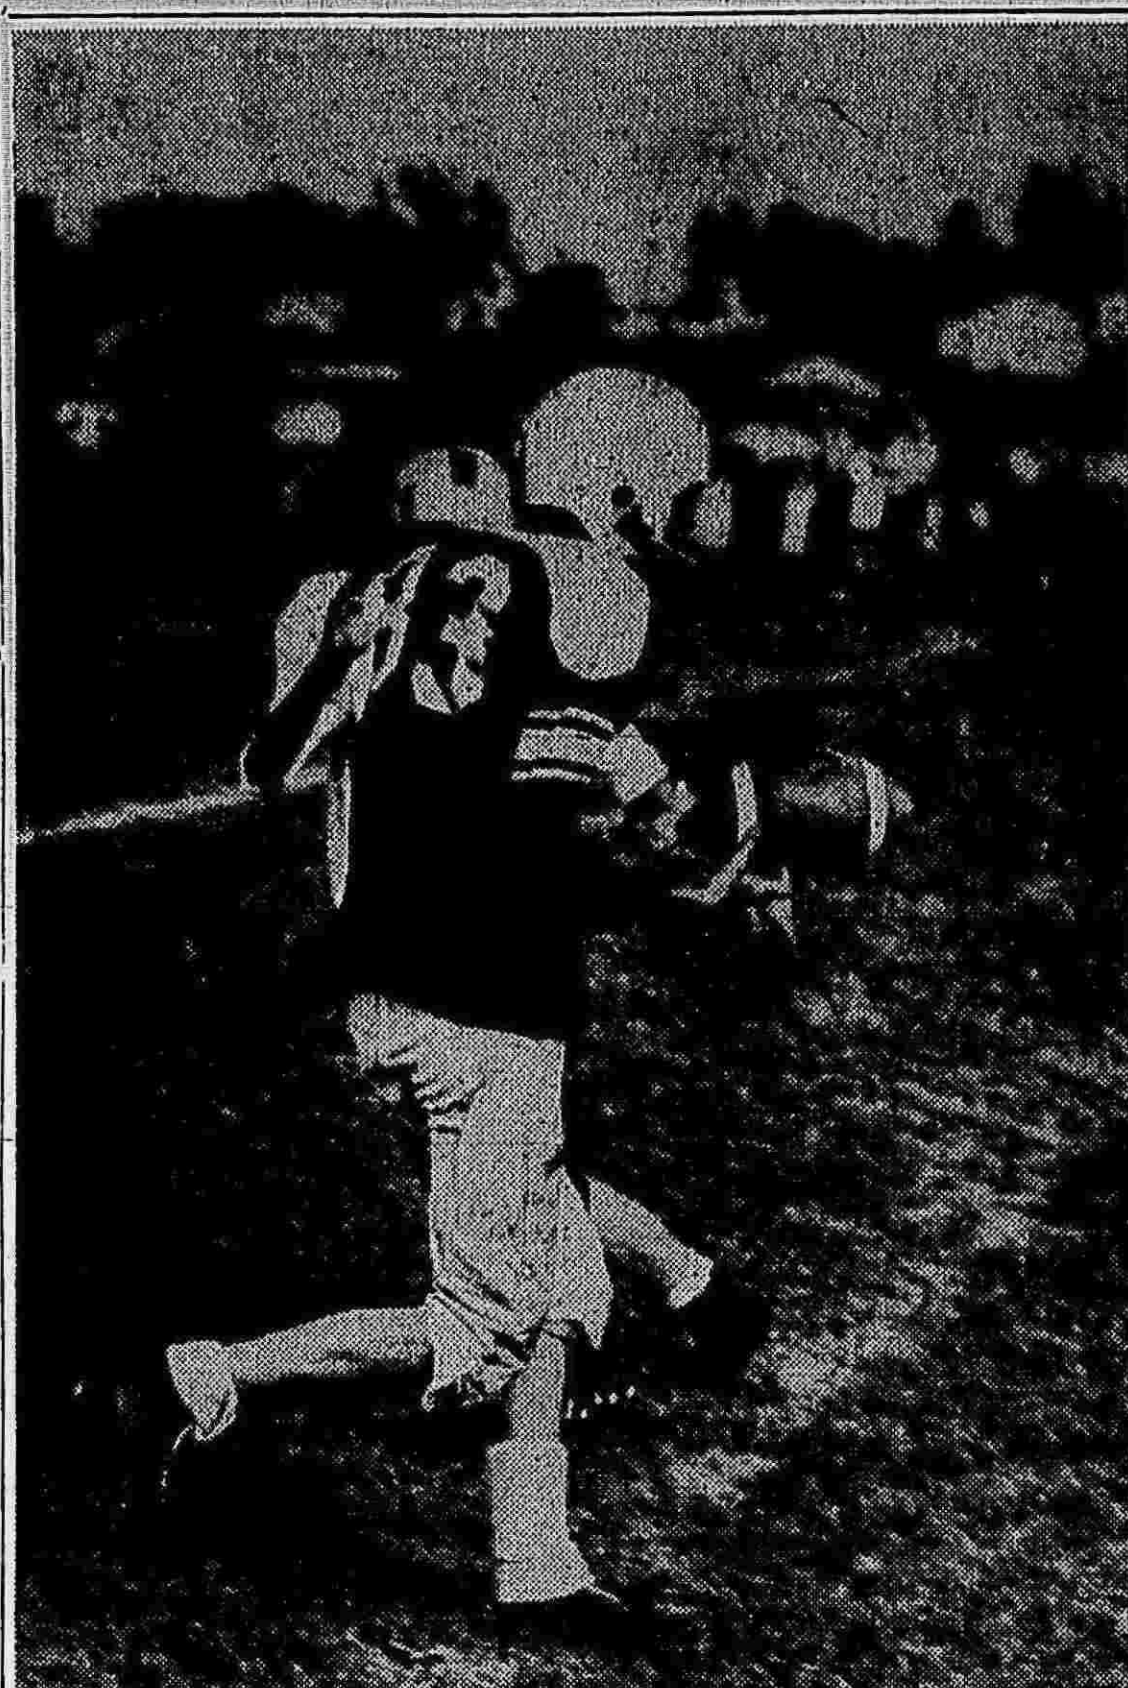

Lake Forest slashed Wauconda's Bulldogs 34-0 last Saturday to achieve its third straight Northwest Suburban League football triumph this year.

The Bulldogs, playing on their home field, held the Scouts to a single touchdown in the first half, and were trailing only 7-0 in the intermission.

But Lake Forest's power began to tell as they rolled up three touchdowns on sustained marches and another on a pass interception.

The uneven nature of the contest was emphasized by first down statistics which showed that Wauconda made only two first downs against 16 for the Scouts.

"Not many men understand women, and the few who do know enough to keep quiet,"—Charles Ruffing.

A SEQUOIT RECEIVER couldn't quite hold on to this second half pass in Saturday's game with Round Lake. Bill Dressel is the potential ground gainer in this picture. Strong winds made passing difficult in the 16 to 7 defeat at the opponents field.

Salem's Running Attack
Edges Granville 20-13Grant Yields
to Ela-Vernon

Grant's footballers yielded to the Ela-Vernon Bears last Saturday after mustering a stubborn resistance through most of the game.

The final score was 20-13 in the game played Saturday at Ingleside.

At one point in the second period, Grant enjoyed a 13-7 lead, gained through two scores by Paul Smith.

Smith's first marker was a 55 yard dash around end and through a befuddled Bear secondary. His second, scored early in the second period, was a seven yard smash climaxing an 81 yard march.

The Bears regained the lead before the half ended when Lance Lindstrom plunged over from the one yard stripe.

Another score by Lindstrom clinched the game in the final period.

Deadline for sports news is Tuesday preceding date of publication.

"Kind words can never die, but without kind deeds they can sound mighty sick."—Missionary Tidings.

A two touchdown second half rally gave Salem Central's Falcons their fourth win in five games this season.

Salem's gridders defeated Granville 20-13 last Friday night. The win was engineered by the breakaway running of Rick Thomas and Jim Long.

A tough defensive line which held Granville to a net 15 yards rushing in the last half played a vital role in the Falcon's success as it has all season.

Central's first score came when Thomas flashed 66 yards through the opposition defense.

Granville scored twice in the second period on Johnson's two yard run and on Johnson's eight yard aerial to Frank Mueller.

After the intermission, the Falcons began to pound out steady yardage. Thomas scored from the six yard line to knot the score at 13-13.

Another drive resulted in a TD sneak from the one by Fred Lentz.

A Granville threat from the air in the game's final moments was snuffed out by Dean Schultz' interception with 40 seconds to go.

Thomas led the Falcon attack with 149 yards in 17 carries. Long picked up 18 yards in 11 attempts.

Both teams recorded 12 first downs.

The Falcons take on Nicolet Friday.

Last Minute
TD Defeats
Wilmot 6-0

An inspired Wilmot defense came within five minutes of holding highly rated Whitewater City to a scoreless tie in their clash on Wilmot's field last Friday night.

Two long runs on successive plays resulted in a 6 to 0 victory for Whitewater. John McClean went over tackle from the Whitewater 40 down to Wilmot's 25 yard stripe.

On the next play, John Kincaid went through tackle for the remaining yardage.

Wilmot coach Frank Bucci praised the surprising defensive play of his Panthers. He singled out captain Jim Elwood, playing guard and Wally Partenheimer, back Jim Ratcheck, and tackle Jim Gwizdale for their outstanding defensive performances.

Wilmot's defense has left something to be desired in earlier games, but this trend was abruptly reversed in last week's struggle.

Whitewater Coach Jim Crummeys said that his squad had to play its finest game to outlast the Panthers.

The visitors drove deep into the shadow of Wilmot's goal posts three times earlier in the game, but each time they were turned back, once on the six yard line.

Twice Wilmot seriously threatened, but its attack sputtered near paydirt on both occasions.

Wilmot plays Elkhorn, a team considered better than Whitewater, Friday at the Elk's field.

Warren Beaten In
Homecoming Game

Grayslake pushed across three touchdowns during the first three quarters of play to defeat Warren's Blue Devils 20-6, in their homecoming game last Saturday afternoon.

Without the services of their star quarterback Corky White, the Blue Devils were not able to mount a sustained offensive drive until the final period.

A crowd estimated at 500 to 600 persons watched the game which followed the high school homecoming parade in Gurnee.

Assessors Endorse
Bond Issue On
New Co. Court House

Pointing out that the proposed \$2,550,000 bond issue for a new Lake County court house will involve no increase in real estate taxes, the County Assessors' Association has passed a resolution supporting the plan.

"We are sure the tax payers of our county will vote favorably on the bond issue referendum in November when they understand that the proposed new building program can be carried through without a tax increase," said Chairman William Pittinger, West Deerfield Township assessor, following a unanimous vote of support. "It is fine to know such a project can be financed entirely out of annual county revenues."

A Tree Farm is an area of taxpaying timberland dedicated to the growing of repeated timber crops.

American Legion Auxiliary will hold a regular meeting at 8 o'clock Friday, Oct. 10, at the American Legion Home.

Fast Grant Team
In Sat. Contest
Grid Squad Vows
Good Showing

The Sequoits are expected to be at full strength for perhaps the first time this season in its homecoming game against Grant's Bulldogs.

Coach Robert Walther said that the team will be aiming to build Antioch High School tradition with a victory Saturday before home stands packed with parents and alumni.

Walther called the Grant squad his team will face "very strong and fast." Although the Bulldogs have lost four games this year, they have seriously threatened to upset at least two of the Northwest League leaders.

Antioch boasts one of the heaviest lines in the conference, but it has been hampered by lack of speed, especially at the ends.

The necessity of playing the Sequoit's slow moving flankers wider than the normal formation puts on added strain on the big men who bulwark the middle.

Grant boasts a strong running attack led by halfback Paul Smith. Their passing has not been effective this season.

The Sequoits' own ground game will be improved by the return to duty of their halfback contingent which has been previously depleted by repeated injuries.

Walther said that both Vince Nausenda and Jack Thompson would be able to play a full game if necessary.

Chip Eberman and Jim Portalski are still ailing, but are expected to be all right before Saturday.

These backs are complemented by the hard running fullback Don Pyles, who has averaged over seven yards a carry this season.

Strong winds prevented any serious passing offense last week, but Walther says that his squad will try to go over the opposition in Saturday's fray.

Both Russ Cote and Dick Wolf probably will do some passing. Walther surmised that Cote had more experience, but that Wolf perhaps had a stronger throwing arm for the long pitches.

The Antioch coach warned that Grant has a reputation for rough and hard football. The Sequoits will have to match its spirit "and just a little more" to win.

Six seniors will be playing their last homecoming game for the Sequoits. Antioch beat Round Lake 7 to 6 in a hard fought struggle in last year's homecoming battle.

The frosh-soph game will begin at 12:30 p.m. and the varsity pick-off is scheduled for 2:30 p.m.

Assistant Coach Bill Baird reported that the boys went through straight hours of contact work Monday evening with the finest results of the season.

Dismaied at disappointing rooters from home last week, the team has vowed to make a strong showing against the Bulldogs.

TV BREAKDOWN

A customer asked at ECONOMY TV, 1 1/2 miles west of Antioch on Rte. 173, if it was possible that a new TV set could break down.

Like anything man-made there is a possibility for a breakdown. In television, the failure of tubes is greatest during the first several hours of use. Although the manufacturer tests each set before it leaves his factory, there are possibilities for failure in the home of the purchaser.

This is why we provide our customers with substantial warranties on all our electronic equipment. You are assured of replacement without added costs. Phone Antioch 1454 about your television problem. We would like to be of service to you.

Sat Eve Post Story Digs Behind State Justice-of-Peace Question

A bitter state-wide battle is raging here prior to the November vote on a constitutional amendment which would unify and reform the entire Illinois judicial system, reports the October 11 issue of The Saturday Evening Post.

Author Joe Alex Morris tells that this state is among those which have taken cognizance of the fact that the justice-of-the-peace system, dating back to 14th century England, has become outmoded.

"The Illinois amendment," he writes, "is a compromise carved out by a politically minded legislature, and it faces opposition for various complicated reasons."

"But the greatest controversy has arisen over a provision that would abolish the fee system and replace the locally elective judicial office of justice of the peace with that of a salaried magistrate to be appointed by and under the administration of the Circuit Court."

"Although other provisions in the amendment may be more important, its fate at the polls may well turn on the conflict over the justice courts because at least a few justices of the peace in each of the state's

102 counties are fighting for their official lives—and their fees."

The Post article, "The J.P.: Should He Be Abolished?" says that the opportunities for abuse of the justice courts are deeply rooted in the system and author Morris notes that no qualifications, not even knowledge of the law, are required of justices, some of whom handle the work as a side line to such regular occupations as bartender, fire chief, clergyman and grave-digger.

Morris observes that in Illinois a justice of the peace can count on collecting a minimum of five dollars and an average fee somewhat higher—"if he finds the defendant guilty" and assesses him for court costs. There is no fee in cases where defendants are adjudged "not guilty."

"As a result," the author observes, "the justice's income depends largely on finding a preponderant number of defendants guilty."

He tells that one justice in Peoria, who also works a 40-hour week as a railroad clerk, handled approximately 3000 cases last year at an average fee of about seven dollars, for a gross income of some \$20,000.

BOWLING

(continued from page 6)

Don Richards had high individual series with games of 173-227-206—606 total. Emmet Mount was second with games of 169-213-203—585 total.

D. Richards bowled high game of 227.

Eileen Kosar had high game and high series of 200-152-146—498.

Mitey Mites beat Moose Tops all three games.

Rusty Four beat Big Moose all three games.

Gutter Dusters won two games from Antlers.

Ten Pins won two from Blue Moose.

The Ends won two from the Odd Moose.

Bi-State League

Thursday, Oct. 2

Haydon Homes swept all three games from Vos Construction. This puts Haydon's in a tie for first place with John Gaa & Son.

Masek's Service Station won two games from Adolph's Channel Inn. J. Larson, shooting with Masek's, had a series of 631 with a 289 game.

Kirchmeyer's had high team game of 878, winning two from Economy TV.

Lakes Tile Co. won two from Cunningham Cartage.

John Gaa & Son won two from Beatti-Vue Products.

Carter's Taxidermy won two from Rudolph's Turkeys.

Standings: W L

1—John Gaa & Son 12 3

2—Haydon Homes 12 3

3—Masek's Serv. Station 9 6

4—Lakes Tile Co. 9 6

5—Kirchmeyer Const. 8 7

6—Economy TV 8 7

7—Rudolph's Turk. Farm 7 8

8—Adolph's Channel Inn 6 9

9—Vos Construction 6 9

10—Carter's Taxidermy 5 10

11—Beatti-Vue Products 4 11

12—Cunningham Cartage 4 11

Individual averages: J. Larson, 210; C. Moran, 190; E. Carney, 183; D. Jones, 182; Romie Vos, 180.

Wed. Night Businessmen

October 1

Georgie's Bar had high team series, with games of 840-861-854—total 2555.

Lahti Oil Co. had high team game with a score of 911.

V. Viepon of Ted's Radio, had high individual series, bowling 199-

180-209 for a total of 588.

Bob Lasco had 224 for high individual game.

Bill's Service won two games from George's Bar.

Lahti Oil Co. won two games from Gaston Printing Co.

Decker's Tavern won two games from Lasco's.

Pickard China won all three games from Ken's Willow Farm.

Badger Auto won all three from McHenry Readymix.

Ted's Radio & TV won all three games from Weber Duck Farm.

Ten Pin Topplers

Tuesday, October 7

Joe & Helen's took high team series on games of 700-815-715-2230.

Marge Anderson bowled 166-182-204-552 for high individual score, and Veru Prible was second high with games of 178-207-138-523.

Joe & Helen's (2230) beat Lakes Co. (2080) all three games.

Tuttle Mink (2045) beat Hazelman's (1962) all three games.

The Van Pattens (1884) won 2½ games from George's Bar (1795).

Salem Country Club (2147) won two games from Art's Paint Store (2030).

Adolph's (2114) took two games from Gibbs & Jensen (2048).

Sexauer Realtor (2024) won two games from Old Orchard Inn (2032).

Ten Pin Topplers

Tuesday, Sept. 30

High team series went to Gibbs & Jensen on their games of 736-816-742-2294.

Marge Anderson was high individual scorer, with games of 200-165-220-585 total. Gerry Nowakowski, was second high with games of 159-186-176-521; and third, Vi Shunneson, 186-162-157-505 total.

Joe & Helen's (2210) beat Salem Country Club (2013) all three games.

Old Orchard Inn (2283) won two games from Gibbs & Jensen (2294).

Art's Paint Store (2046) won two games from Sexauer Realtor (2040).

George's Bar (1931) won two games from Lakes Co. (1811).

Adolph's (1913) won two games from Tuttle Mink (1918).

The Van Pattens (1918) won two games from Hazelman's (1911).

Roy Halderman and son, Robert, Mr. and Mrs. John Preston and children of Ottawa, Ill., were Sunday guests of Mr. and Mrs. Donald Gaston at their home at Rock Lake.

County Tax Total Nears \$16 Million

A report of Lake County general tax collections issued this week shows that \$15,836,510.37 is in the till.

Chief deputy county treasurer Hugo L. Snyder, Jr. said that this figure includes receipts through last Saturday which was three days last the deadline.

These delinquent tax payments include a one per cent penalty payment for each month or part of a month they are overdue.

The last few days in the county treasurer's office have been jammed with residents hurrying to beat the Oct. 1 final date of penalty free payment.

County treasurer Guy O. Lunn indicated that his staff was beginning to catch up with the rush that has swamped them during this period.

The collection total issued is less than half of the \$34,316,712.26 which is authorized for collection in the county this year.

Driver Training Has 50,000 State Students

Approximately 50,000 students are enrolled this school year in the Chicago Motor Club's behind-the-wheel driver education program at more than 500 Illinois and Indiana high schools.

When the Motor Club started its driver education school program in 1946-47, only six cars were used, according to Matthew C. Sielski, director of safety and traffic engineering. This year, students will operate more than 450 cars, most of which are donated by dealers, he said.

In Antioch, this year's car was do-

Trustees Okay . . .

(continued from page 1)

the future. The owner of the property is reportedly willing to sell at the proper price.

A committee headed by Trustee Ernest Glenn will look into the development of a plumbing and septic tank code for the village.

It was suggested that the committee study a plumbing code to be published by Grayslake. Due to the difficulty of the material, it is likely that members of the committee will dig into technicalities with one of the authors of the Grayslake code.

The trustees endorsed the fire department's plan to host the Oct. 27 Lake County Firemen's Ass'n meeting.

Vote 'Accident' . . .

(continued from page 1)

indicates that the cars met on the side of the road. It is conjectured that both may have been trying to avoid one another.

UNKNOWN WITNESS

Ronald W. E. Richardson of Round Lake said that he talked to a man who stopped south of the accident scene.

The man told Richardson that Dahle's southbound car had passed his truck and trailer going at an es-

nated by Lyons-Ryan Ford Sales.

The club, as in previous years, is training teachers for high school driver education courses. More than 33,000 instructors have been trained by the club in the last 10 years.

NIV Attendance up 19 %

The rapid growth of Northern Illinois University in DeKalb is evident from enrollment figures. There were 2,000 students in 1951. The total jumped to 4,746 in 1957. This year's total of 5,647 reflects a 19 per cent increase over last year.

timated speed of 80 m.p.h. just before the crash.

Sheriff's police have been unable to locate the man Richardson mentioned. A sheriff's investigator, Harold Scheskie, who first told Richardson's story, said he had obtained the first name of the man who presumably talked with Richardson, but Scheskie did not announce it from the stand.

Tom Nellessen, 18, a senior at Grayslake Community High School said that he saw the accident from about 200 to 300 yards behind Dahle's auto.

He said Dahle's auto was not going over 60 m.p.h. when it passed him earlier.

WRECKAGE SICKENS HIM

When Nellessen saw the wreckage and the victims, he became sick and left. Next day he called the coroner, according to testimony.

Norman Burnett, who lives near the accident scene, repeated the same story he has told since the day following the crack-up.

He says he saw the accident from his window, and maintains that the accident occurred in the middle of the road.

Most authorities now agree that the middle of the traffic accident which claimed six lives will never be fully solved.

65 MPH Winds

(continued from page 1)

A chimney and a new television antenna were destroyed.

The building is insured, according to Mrs. Hood.

A tree next to the Robert Hart residence, just south of the Grass

Lake School, split and the trunk and foliage leaned against the house.

A similar incident was reported at the home of Charles Reed, located in Groveland Park subdivision.

Many trees are down in the Indian Point area, according to calls to the tree service.

Telephone operators in Antioch Thursday said that a number of lines were out of order as a result of the storm.

Lake Villa was heavily hit by the storm. Their streets were littered with branches and leaves.

The new addition to Hucker's Garage on Cedar Avenue was damaged. Winds knocked down the concrete blocks which had been constructed above the window tops.

This morning, only the bare window frames were left standing.

SUMMER HOUSE SMASHED

A summer screen house was torn from its mooring and "twisted beyond recognition," at Rte. 59 and Rte. 132 in Lake Villa.

The debris was scattered across the highway.

In Waukegan, damage was heavy.

DEATH NOTICES

Alice Canty

Mrs. Alice Canty, 69, of Stanton Terrace subdivision, Ingleside, Ill., died Thursday morning of a heart ailment.

She was born Jan. 11, 1889 in Chicago and came here 30 years ago. She had been spending summers here for more than 45 years.

Mrs. Canty was a member of the Ingleside Community Methodist Church, and of the Fox Lake Post 703 of the American Legion Auxiliary.

She was preceded in death by her husband, Jeremiah J. Canty in 1954.

Survivors include two daughters, Mrs. Leora Stanton of Lake Villa, and Mrs. Zella Richardson of Ingleside; two brothers, Frank Moffatt of Chicago and Merrill Moffatt of Ingleside; two sisters, Mrs. Louise Leanes of Chicago and Mrs. Lucille Otto of Forest Park, Ill.; four grandchildren; a great grandchild.

Services will be held at 1:30 Saturday in the Strang Funeral Home, Antioch. The Rev. Howard Wynne of the Ingleside Community Methodist Church will officiate.

Burial will be in Fox Lake Cemetery. Friends may call at the funeral home after 2 p. m. Friday.

Winifred N. Murphy

Mrs. Winifred N. Murphy, 72, granddaughter of Justus Bangs, founder of Wauconda, died Saturday in Victory Memorial hospital.

Funeral services were held last Tuesday in the Kisselburg Funeral Home, 235 N. Main st., Wauconda. The Rev. Mahlon H. Pomeroy, pastor of the Wauconda Federated Church, officiated.

Burial was in Wauconda cemetery.

Mrs. Murphy, a resident of Waukegan for the past 22 years, was born in Wauconda July 26, 1886 and lived there until going to the lake front city.

Mrs. Murphy's mother, Mrs. Clarence L. (Fanny Bangs) Pratt, was the daughter of Justus Bangs.

Mrs. Murphy was a Lake County school teacher for many years.

Her survivors include three daughters, Mrs. Arvid Soderman and Mrs. Lowell Wirth, both of Waukegan, and Mrs. Mary Lueder, Wauconda; two sisters, Mrs. Nina Tomisky of Crystal Lake and Mrs. Caroline Einhorn of Oak Park; a brother, Claude Pratt, Wauconda; seven grandchildren; a great grandson.

Her husband, John, preceded her in death in 1953.

Langon A. Kelly

Langon A. Kelly, 60, of Linden Lane, rural Antioch, died Monday morning in Condell Memorial Hospital, Libertyville. He had been ill for about two months.

Requiem mass was said Wednesday in St. Peter's Church. Burial was in Holy Name Cemetery, Wilmet, Wis.

Mr. Kelly lived in Antioch for the past 11 years. He was born in Chicago June 21, 1898.

Before retirement, he was an employee of the Deepfreeze plant in North Chicago which has been converted since then by the Goodyear Tire and Rubber Co.

During World War I, Mr. Kelly served with the U. S. Navy.

He is survived by his wife, Lydia; two sons, Richard of Winthrop Harbor and John, serving with the Air Force in Japan.

Mr. Kelly's mother, Mary, died last June 18.

Marilyn Sue Wells

Marilyn Sue Wells, the two week old granddaughter of Mr. and Mrs. Curtis Wells of Antioch, died Tuesday in Victory Memorial Hospital.

The parents are the Wells' son, Raymond, and his wife, who live at 1921 Lloyd Ave., Waukegan.

Marilyn Sue is also survived by three brothers, Russell, Roger, and Bruce; a sister, Cheryl; the maternal grandparents, Mr. and Mrs. Russell H. Edwards of Waukegan.

Services were held Thursday in the Strang Funeral Home, Antioch. Burial was in Avon Cemetery.

500 Scouters at Camp Wilmot Last Week-end for Training

More than 500 scoutmasters and junior boy leaders were at Camp Wilmot last week-end for an annual Junior Leaders Training Conference conducted by the North Shore Area Council, Boy Scouts of America.

Camp Wilmot is a new camping area comprising 140 acres located near Wilmot which has recently been secured for use by troops in the North Shore Area Council.

A program of physical improvements is underway. Work already completed includes a road into the camp, development of the parking area, camp entrance, drilling of a well for water, and the construction of a camp latrine.

The campsite secured last June has already been used extensively by Boy Scout troops and explorer posts in the council. The rugged terrain of the campsite makes possible unlimited opportunities for overnight camping and training in the outdoor Scouting skills.

General chairman for this training event was Wally Trezise of Lake Bluff, member of the Council Training Committee.

Demonstrations of outdoor skills were conducted by six different explorer posts. Knots and rope were taught by Post 77 of Mundelein under the direction of Ed Lane; camp cooking skills were taught by Post 36 of Highland Park, Ed Brown, Jr. as adviser; fire building by Post 42 of Lake Bluff, George Weisenbach as adviser; camp sanitation lay-out by Post 102 of Winnetka, George Putnam, adviser; woodsmen's tools by Post 87 of Libertyville, Vince Baldwin as adviser; and compass demonstration by Post 48 of Lake Forest, Mel Craft, adviser.

Medical Assistants To Hold Meetings

Three special sessions listed under the titles of Business, Medical and Technical, will be the leading factors in attracting more than 600 Medical Assistants to register at the second annual meeting of the American Association of Medical Assistants opens in Chicago, on Friday, Oct. 31. Non-members are invited.

"Sometimes a woman doesn't care for a man's company unless he owns it."—Anna Herbert.

Talk About Weather

George Rimer stood by the kitchen window looking glumly at the dripping skies outside.

"Does it strike you that the weather has been unusual lately?" he asked his wife.

Molly smiled as she slipped a roast into the oven. "Now, George," she chided, "you've been talking about 'unusual' weather ever since I've known you."

"Well, it's getting more so," George said, half-smiling himself. "Here it is September and it seems we've hardly had a summer."

"One year the summer's so hot and dry the crops burn up and you can't get enough water to wash your car. The next year it's so wet and cool that the rivers flood and you can't get a sun tan."

Molly reached up to put a bowl away in the cabinet. "The scientists think we'll be able to control the weather some day," she remarked.

"That will be even worse," George said. "Everybody will start arguing. The farmers will want rain when the city folks want to picnic. The ice cream makers and air conditioning salesmen will want it hot, and the fuel oil people will want it cold."

He turned away from the window. "I guess we'd better leave it like it is," he said. "We can all keep on cussing the weather instead of cussing each other."

NIV Not a Commuters School

About seven per cent of the students attending Northern Illinois University in DeKalb commute on a daily basis. A recent study reveals that commuters do as well in the grade department as students living on the campus. There is no significant difference in grades made by the two groups.

A smart husband doesn't get so busy bringing home the bacon that he forgets the applesauce.

Card of Thanks

We wish to express our thanks to all of our neighbors and friends for the many acts of kindness and sympathy shown during our recent bereavement.

Mrs. Rose Malva and son Dan

Rules of the Road PARKING

Illinois law demands that a driver, after parking a vehicle, must stop the engine, lock the ignition and remove the key. If you are parking on a hill or perceptible grade, under Illinois law, you must set your brakes. If you are parking downhill, you must turn the front wheels of your vehicle toward the curb or the side of the highway. If you are parking uphill, turn your front wheels away from the curb and allow your vehicle to go back until the back of your front wheels are securely resting against the curb.

On highways where there is no curb, turn your front wheels sharply toward the right, just as you would when parking headed downhill. Never park on the paved or improved part of any highway outside of business or residential districts. If you must stop your vehicle drive completely off the road. If conditions are such as to make it impossible to pull off the roadway, such as a soft shoulder or a deep ditch, you must be certain that you leave a clear and unobstructed width of highway on the left side of your car to allow for the passage of other vehicles. Do not park close to the crest of a hill or on a curve. You should always park so that your vehicle is clearly visible to cars approaching from either direction. At night, make certain that your parking lights and tail-lights are on, unless you are parked

in a parking space where no lights are required.

It Is Against the Law to Park:
On a sidewalk.

In front of a private or public driveway.

Within any highway or street intersection.

Within 15 feet of a fire hydrant.

Blocking a pedestrian crosswalk.

Within 20 feet of a pedestrian crosswalk at an intersection.

Within 30 feet upon the approach of any flashing signal, stop sign

or traffic control signal located at the side of the roadway.

Between a pedestrian safety zone and the adjacent curb, or within 30 feet of the points on the curb immediately opposite the ends of the safety zone, unless local authorities, by signs or markings, indicate a different distance or length.

Within 50 feet of any railroad grade crossing.

Within 20 feet of the driveway entrance to any fire station, or on the opposite side of the street within

75 feet of the driveway entrance.

Alongside of, or opposite, any street excavation or obstruction when such parking would impede traffic.

On the roadway side of any vehicle parked at the edge of curb or the street (Double Parking).

Upon any bridge or other elevated structure on a highway, or within any highway tunnel or underpass.

At ANY place where official signs prohibit parking.

THIS WEEK'S U of I MARKET BUY

Look for more bargains in pork this week-end. Consumer purchase patterns tend to boost beef roast prices, maintain generally lower steak costs. Bacon drops pricewise as expected. Competitive situations help create wider range of values for shoppers. Apple week promotion could not be better timed from standpoint of available supplies—variety of kinds—quality levels—and low, low prices.

Chicago Market Values

Meats: Pork rib roasts—Ham—Bacon—Beef steaks.

Local Youths Attend Kendall

Two area graduates of Antioch High School enrolled recently at Kendall College, a self-help liberal arts, Methodist junior college in Evanston.

They are: Alice Stanton, daughter of Mr. and Mrs. Ray Stanton, Lake Villa; and John Homan, son of Mr. and Mrs. Russell Homan, RFD 3, Antioch.

Ninety per cent of the 200 students attending Kendall this year are earning their education completely or in part by part-time jobs obtained through the school's employment service. Classes are held only in the morning, in order to make Kendall's work-study program possible.

High School Seniors Eligible for Grants

Senior students at Antioch High School are eligible to compete for more than 100 four-year college scholarships offered by General Motors under its National Scholarship Plan, according to Frank Denison, Guidance Coordinator.

The competition is open to high school seniors who are United States citizens and who plan to take the College Entrance Board examination for admission to the college of their choice, or who arrange to take the examination in order to compete for a GM award. There is at least one GM award in each state and more than 50 winners chosen at large. Seniors awarded scholarships under GM's National Scholarship Plan may attend any college or university of their choice and pursue any course of study.

More than 400 students are now attending 110 colleges and universities under the Plan, initiated in 1955. Their career objectives include engineering, medicine, law, the sciences, journalism, teaching, music, religion and other worthwhile fields.

Selection of award winners in the GM National Plan is made by a group of leading educators representing various parts of the country. Full details of the competition, including registration, dates for examination, are available in Denison's office.

School Board Will Meet Wednesday

Antioch High School activities in the coming week include the freshman football team's encounter with Glenbrook on the field here Monday.

A regular school board meeting will be held Wednesday evening at 8 p. m. in the school office.

"After you watch the crowd at a game where the referee makes a decision against the home team, you have some idea of the problem of world peace."—Herbert V. Prochnow.

COUNTY ZONING NOTICE

STATE OF ILLINOIS ss.

COUNTY OF LAKE

TO WHOM IT MAY CONCERN:

PUBLIC NOTICE is hereby given to all persons in the Town of Antioch, Lake County, Illinois, that a public hearing will be held on October 28, 1958, at 1:30 P. M., in the Village Hall, Antioch, Illinois, relative to a proposal to vary the terms of the Lake County Zoning Ordinance, as to the R-4 Residential District, to setback and sideyard to the restrictions, on the following described real estate, to-wit:

The South half of Lot 3 and the North 42 2/9ths feet of Lot 6 in Thomas Jefferson Smith's Subdivision of a part of Section 12, Twp. 46 N., R. 9, East of the 3rd P. M., according to the plat thereof recorded in Book "F" of Plats, page 12, in Lake County, Illinois.

As a result of the petition of O. G. ONSTAD, which petition is on file and available for examination in the office of the below named Board, Court House, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard. LAKE COUNTY ZONING BOARD OF APPEALS

Samuel J. Sorenson
Chairman

Dated at Waukegan, Illinois, this 9th day of October, 1958.

Answer on page 15

Name Lake Villa Woman To Grand Jury

The Lake County October Grand Jury was impaneled this week by acting Circuit Judge L. Eric Carey.

Harriet Ann Hanson of Monaville road, Lake Villa, is among the 23 persons named to the panel.

Circuit Judge Sidney H. Block, who was ill when the new jury was

sworn in, is likely to make the formal "charge" to its members which will direct their investigative activities during the next two months.

It is presumed that the October jury will follow the recommendations of the March Grand jury which was discharged when the new jury was impaneled.

The March grand jury said in a final report that far stronger methods should be used by county and local governments in enforcing laws prohibiting the sale of liquor to minors.

Today's MEDITATION

from
The World's Most Widely Used
Devotional Guide

The Upper Room
© THE UPPER ROOM, NASHVILLE, TENNESSEE

Read Colossians 3: 14-17

For as we have many members in one body, and all members have not the same office; so we, being many, are one body in Christ, and every one members one of another. (Romans 12:4-8.)

Last year two Japanese youths were among those who attended the East Asian Journalism Seminary in Manila. One Sunday morning we went to church together. The language used was Pampango, one of the many dialects spoken in the Philippines.

At the worship service later on, the guests were requested to say a few words of greeting to the congregation.

One of the young men stood up and spoke in English. He said, "We have not understood much that has been spoken or sung here this morning, except two words: Cristo and Amen. But those words have made us feel a deep sense of belonging. We have caught the message that we are all one body in Christ, and our hearts have echoed 'Amen.'"

How wonderful that Christ binds together in the spirit of brotherhood all men who love Him! Differences of race, culture, and social class fall away; there is oneness in Christ!

Prayer: Our Father, we thank Thee for the gift of Thy Son, Jesus Christ. We thank Thee that through Him all men can be one. Will' Thou

help us to feel that deep sense of belonging to Thee and to one another. In Jesus' name we ask it. Amen.

Thought for the day:
In Christ true hearts everywhere find fellowship.—Remedios Ascencio Totaan (Philippines)

You get the solid quality of Body by Fisher.

Who in the world built this beauty ...
the only car with wide-track wheels?

EXCLUSIVELY YOURS—WIDE-TRACK WHEELS

Wheels moved out 5 inches for the widest, steadiest stance in America—better cooling for engine and
brakes—lower center of gravity for better grip on the road, safer cornering, smoother ride, easier han-
dling. You get the most beautiful roadability you've ever known—in America's Number ① Road Car!

PONTIAC! America's Number ① Road Car!

Those exclusive Wide-Track Wheels sparked a chain reaction of wonderful new
ideas: You can see the trim, tailored new look ... it's inches lower without
sacrificing roominess or road clearance. The first time you drive it, you'll discover
this beauty handles city corners and clings to country curves in a way the conven-
tional narrow-gauge cars can't hope to imitate. And the ride ... the miraculous
freedom from sway, dive and bounce ... this is an experience in buoyant travel
that you won't believe—until you try it.

But there's still more to the new Pontiac

to stamp it as the big change for '59:

Vista-lounge interiors with full 360-degree visibility ... seats actually wider
than a sofa ... Air-Cooled True-Contour Brakes for smooth, effortless control,
stop after stop after stop.

The industry's most advanced V-8, Pontiac's Tempest 420, gives you spectacular
new responsiveness. And there's a new companion power plant, the Tempest
420E, that delivers phenomenal extra mileage—and does it on regular octane gas!

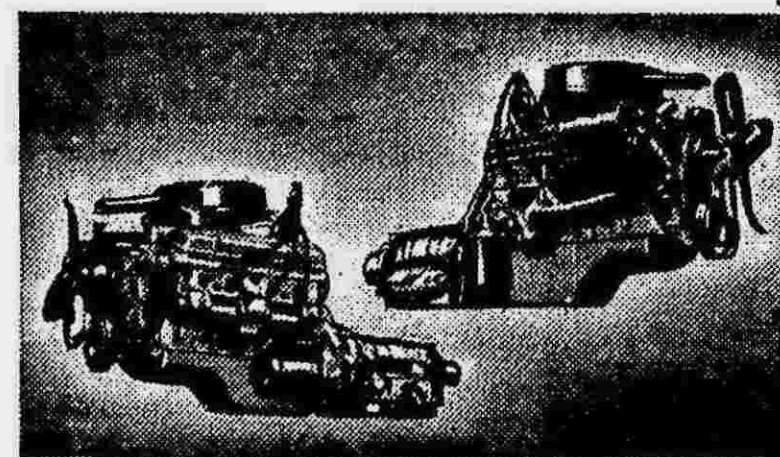

Come see why no other car can possibly be so new as the new Pontiac—three
series: magnificent Bonneville, dramatic Star Chief and brilliant new Catalina.

See Ginger Rogers on the Pontiac Star Parade, Wednesday, Oct. 15th, CBS-TV.

SEE YOUR LOCAL AUTHORIZED PONTIAC DEALER

VILLAGE PONTIAC, INC. 362 DEPOT ST., ANTIOCH, ILLINOIS

ON DISPLAY TODAY!

2 Great New Engines

If you love action—you get the liveliest on
wheels with the new Tempest 420 V-8, ac-
claimed by automotive experts as America's
most advanced power plant.

If you want the accent on economy, choose
Pontiac's new Tempest 420E. This new V-8
actually delivers better mileage than many
smaller cars with so-called "economy engines"
... and it uses regular octane fuel.

Lindenhurst

HELEN GRAVES
EL 6-8012

The Ladies' Canasta club met in the home of Marge Fabry Wednesday of last week. Winners for the evening were May Hunt, Rae Gibbons and Mary Tracy. The next meeting will be held in the home of May Hunt Wednesday, Oct. 15.

Mr. and Mrs. Frank Plotzke will celebrate their wedding anniversary Thursday, Oct. 9.

The Ladies Auxiliary to the Lindenhurst Men's club will hold its regular monthly meeting Thursday, Oct. 9. A toy demonstration will be given at this meeting by Rae Gibbons, on old Elm road.

The QT Social Club met in the home of Millie Caldwell Tuesday, Sept. 30. Games were played and refreshments were served. The next meeting will be in the home of Ida DeSomer on Oct. 14.

The Village Board will meet Monday, Oct. 13, in the Village hall for its regular monthly meeting.

The Pinochle club met in the home of Mrs. June Simecek Friday, Oct. 3. The next meeting will be held in the home of Marge Campbell.

Sunday visitors in the Dominic Guido home were Mrs. Angela Guido and Mr. and Mrs. Tom Petrolis and children, Chicago.

Visitors Sunday in the Clyde Risk home were Mrs. Risk's father, Frank Bocian and brother and family, Mr. and Mrs. Edward Bocian, Chicago.

Mr. and Mrs. Ray Parpan have bought and moved into the former home of Mr. and Mrs. Henry Ploss, Fairfield road. Mr. and Mrs. Parpan have three children, Ray, Mary Jo, and Brian.

Mr. and Mrs. Armand Bouque of South Thornwood Drive brought their twins home Saturday, Oct. 4, from a Chicago hospital, where they have been since their birth in August.

Congratulations to Mr. and Mrs. William Mattice, South Thornwood Drive, who became the proud parents of a baby boy Sept. 25 in St. Therese hospital. The new little fellow weighed 7 lbs. 11 oz. and was named William Michael. He has a big brother, Jeffrey, 4 years old.

A surprise birthday party was given Wednesday, Oct. 1, in the home of Lois Peterson for Gail Schimps, Deerpath rd. Those helping to celebrate were Lois Peterson, Georgia Matthies, Lee Fields, Marilyn Biaggi, Joan Bourke, Jeanne Lloyd, Joyce Gorski, Nada Romani, Evelyn Hertal and Aileen Bybee. Refreshments were served after the lovely gifts were opened.

Unit 18 Social club met in the home of Mrs. Jeanne Lloyd Friday, Oct. 3. Refreshments were served.

The age group 10-13 of the Teen Club met Sunday, Oct. 5, in the Lindenhurst Men's Club for a social get-together from 2-4 p. m. The next regular meeting will be Wednesday, Oct. 15, at 7 p. m., in the Men's Club. Donations of refreshments will be greatly appreciated. For further information call Georgia Matthies, who is in charge of this group—El. 6-7368.

Carole Plotzke, daughter of Mr. and Mrs. Frank Plotzke, was chosen freshman attendant of the Homecoming Court of Antioch High School.

Mary Ploss has been chosen as the "Teen-age Model" for the Heins Fashion Show on Wednesday, Oct. 15, at 8 o'clock p. m.

Library News

NEW MEMORIAL BOOKS
AT THE LIBRARY

All the world loves fairy tales and folklore. Three excellent collections of tales have been given to the Antioch Township Library in memory of Donald L. Cramer's mother, Mrs. F. G. Cramer. A new copy of the beloved "Uncle Remus," by Joel Chandler Harris, will be welcomed by the children. Maria Leach has edited a wide and rich selection of American legends and published them under the title: "The Rainbow Book of American Folk Tales and Legends." Tall tales, bad men, Indian tales from North, Central, and South America, and state lore are included and are gaily illustrated by Marc Simont. "Chimney Corner Fairy Tales" is a collection of favorites like "Tom Tit Tom," "Briar Rose," and "The Golden Bird" retold for modern readers by Veronica S. Hutchinson.

Amelia Leavitt Hill has the theory that one can have a lovely setting for one's home with a minimum of effort and expense. She proves this theory in her new book, "Gardens and Grounds that Take Care of Themselves." Fruit, flower, tree and vegetable are marshalled to do their bit to make home a better place. "Gardens and Grounds that Take Care of Themselves" was given to the library in memory of Henry Freiday.

AREA PRINTERS TO SEE
OFFSET DEMONSTRATION

"The place of the Small Offset in Commercial Print Shops," presented by W. J. Taylor, Chicago branch manager, American Type Foundry, will be subject of the October program of North Shore Printing House Craftsman.

As part of the program ATF will have an actual demonstration of their new ATF Chief Offset press at the meeting. It will be held at the Swedish Glee Club in Waukegan, Monday, Oct. 13, at 8:30 p. m.

The North Shore Club serves Craftsman in an area bounded by Skokie on the South, Barrington on the west, and Kenosha, Wis., on the north. Anyone interested in joining the North Shore Club is invited to attend the meeting.

Oil-Film Drawings
For the Blind

The centuries-old problem of how to make drawings that can easily be read by the blind has finally been solved thanks to a versatile, tough film produced from oil industry raw materials. A unique raised line drawing kit recently perfected uses oil-based polyester film clamped to a rubber-surfaced writing pad. Drawing with an inkless ball point pen, the artist produces a series of tiny bumps which appear as raised lines on the upper surface of the film. These lines can be traced quickly with the fingertips. The new drawing kit—one of the most important and original aids for the handicapped which oil-based products made possible—is being used to solve geometric problems, to draw graphs and circuit diagrams and to prepare maps.

Good Question

"Mommy," said the four-year-old, "why did you marry Daddy?" "So!" exclaimed her mother, "Even you are puzzled!"—The Diversion News.

How many of these electric helpers
have you added since 1947?... asks LITTLE BILL

a b c d e f g h i j

You're an average family if—in the postwar years you've added six new electrical appliances. Shown here are a few typical examples

This is why you're using far more electricity nowadays than you did just a few years ago. And why life is a lot easier. But of all the things you buy today, electricity has gone up less than almost anything else

So, while your bill may be a little higher, electricity is actually doing nearly twice as much work for the money now as it did years ago.

See how little it costs to run each of these electric helpers.

a—Electric Blanket—just 1½¢ all night. Gives warmth of 3 blankets, often weighs less than 1.

b—Portable TV—2 hours for 1½¢. The world's finest entertainment for pennies a day.

c—Air Conditioner—less than 3¢ an hour. This ½-ton unit cleans, cools, dehumidifies air in 2 big rooms.

d—Radio—5 hours for 1¢. Relaxing entertainment for pennies a week.

e—Sun Lamp—healthy tan in a week 1½¢. Like having all the good of the sun all winter.

f—Electric Shaver, over 150 shaves 1¢. Clean, close and comfortable. And it costs so little.

Other appliances include:

(g) Hair Dryer—Does 3 hair sets for 2¢. (h) 150-watt lamp—Good reading light—over 2 hrs. for 1¢. (i) Electric Wall Heater—Quick heat to take the chill out of the air—4¢ an hour. (j) Electric Clock—the exact time, just 1¢ a week.

"Electricity costs less today, you know
than it did 25 years ago!"

Mother, Firemen Rescue 3 Kids In Gurnee Fire

A Gurnee mother saved two of her three children from a fire which engulfed their residence on Blackstone Ave. at first street Monday afternoon.

Gurnee volunteer firemen saved the third tot.

The fire, which apparently began in the kitchen, completely gutted that room and severely damaged several others after its outbreak in the seven room frame home about 4 p. m.

The home belongs to Wayman Schumate.

His wife, Ethel, told the following story of her flight to safety with Michael 4 years old, and Diana, 4 months.

Her other son, Jeff, 2, saw the fire in the kitchen apparently and warned his mother. She realized that the fire had already gained headway.

Mrs. Schumate rushed upstairs to get Michael who was taking a nap.

Coming back downstairs, she took Jeff and the baby in tow.

When she attempted to leave through the backdoor, she found her way blocked by the smoke and heat.

Jeff fell from her arms as she struggled through the west bedroom into the adjoining east bedroom on the ground floor.

Firemen on the scene by that time broke a window in the bedroom and took Mrs. Schumate and the two children out of the burning house.

In response to her plea, Gurnee volunteer firemen Clifford Elsbury and William Flood entered the house to bring Jeff out of the blaze.

They found him in the west bedroom hugging the foot of the bed. When they brought him into the open, Gurnee police rushed him to St. Therese Hospital where he is being treated for smoke inhalation.

The boy is in "fair condition", according to hospital authorities.

Mrs. Schumate was also in St. Therese hospital today. Her condition was described as "all right."

Fire chief Sam Dada estimated the damage to the home at \$4,000 and damage to its contents at \$2,000.

The owner, who arrived home during the fire, said that there was insurance on the house, but he couldn't recall the extent of its coverage.

Smoke caused the greatest destruction to the house. It was so thick that all of the Schumates who had been in the house looked "as if they had been playing in a coal bin."

Dada said that the cause of the fire was almost certainly a refrigerator wire which shorted.

The fire chief reported that 14 men and two trucks were brought in to fight the blaze. The majority of the men were there within five minutes of the fire call, according to the chief.

Sweet Silence

"Blessed are they who have nothing to say—and cannot be persuaded to say it."—The Naperville Sun.

COUNTY ZONING NOTICE

STATE OF ILLINOIS

COUNTY OF LAKE

TO WHOM IT MAY CONCERN:

PUBLIC NOTICE is hereby given to all persons in the Town of Antioch, Lake County, Illinois, that a public hearing will be held on October 28, 1958, at 2:00 P. M. in the Village Hall, Antioch, Illinois, relative to a proposal to vary the terms of the Lake County Zoning Ordinance, as to the F-Farming District, as to setback and sideyard regulations on the following described real estate, to-wit:

The South 75 feet of the North 725 feet of the West 100 feet of the Southwest quarter of the Southwest quarter of Sec. 15, Twp. 46 N., R. 10, East of the 3rd P. M., in Lake County Illinois.

As a result of the petition of CASIMER YATOWT and ROSE MARIE YATOWT, which petition is on file and available for examination in the office of the below named Board, Court House, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard.

JOE LORUSSO & DON KENNEDY

ONE LESS TIRE

Tire manufacturers are experimenting on a new kind of spare wheel to replace the spare tire and wheel which take up too much room in auto trunks.

It will be made of a thin steel disk with a flange of solid rubber slightly larger than the regular auto wheel. When you have a flat, you will remove the hub cap, jack your car up an inch or two, slip this emergency disc on the wheel bolts, over your entire wheel and be ready to drive to a nearby station.

And when you're near 970 Main St., in Downtown Antioch, you will find JOE & DON'S Texaco Service ready to do a fine job in tire servicing or sales. You'll like our other car services, too. Drive over soon.

Millburn

Mrs. Frank Edwards, Correspondent
Phone Elliot 6-3323

Regular services at Millburn Congregational church Oct. 12 include church and Sunday School at 10 a. m., until further notice.

There will be no Study Group meeting this week. The next meeting of the Study Group will be held Oct. 23 at the home of Mrs. Charles Lucas.

The Millburn Order of Rainbow for Girls will have an open installation of officers at the Masonic Temple Saturday evening, Oct. 11, at 7:30 p. m. Miss Rebecca Anderson will be installed as the new worthy advisor.

Mr. and Mrs. Herbert Graham and family returned home Tuesday morning from Spooner, Wis. They attended the funeral services of Mr. Graham's mother on Monday.

Mrs. E. A. Martin returned home Friday from Victory Memorial Hospital.

Mr. and Mrs. Oscar Neahous are visiting at the home of their daughter and husband, Mr. and Mrs. Tom Cosgrove at Elmhurst.

Mr. and Mrs. Orville Hairrell and sons of Waukegan and Mr. and Mrs. Elmer Hauser and children of Beach, were callers at the home of Mr. and Mrs. Frank Hauser Sunday afternoon.

Mr. and Mrs. Walter Fontaine of Gurnee were callers at the home of Mrs. Harley Clark Saturday evening.

Mrs. Ida Truax spent Sunday afternoon and evening at the home of her son and wife, Mr. and Mrs. Everett Truax in Waukegan.

Mrs. James Foster was a supper guest at the home of her son, Mr. and Mrs. William Alm of Antioch, Friday evening.

Mr. and Mrs. Earl Turnpaugh and Mrs. Ruth Turnpaugh of Kansasville, Wis., were callers at the home of Mrs. Harley Clark Wednesday morning.

Don Voightlander and son Mickie of Kenosha, Wis., were dinner guests at the Herbert Graham home Sunday.

The Chicago Congregational Association will hold its fall meeting in the Millburn Congregational church Thursday, Oct. 9, from 10 a. m. to 3 p. m.

Members of the Men's Club will meet Monday evening, Oct. 13, at 8 p. m. in the Millburn church.

The annual chicken dinner and bazaar will be held Friday afternoon and evening, Nov. 7.

AFTER HER INSTALLATION as worthy advisor of the Antioch Assembly Order of the Rainbow, Faye Mann (left) poses with Mrs. Don Gibbs, mother advisor of the order (center), and Diane Mantis, retiring worthy advisor. The ceremonies were held last Saturday in Wesley Hall.

RESIDENT GETS HIGH VA HOSPITAL AWARD

Mrs. Betty Birr of Antioch has been awarded an "outstanding Rating" including a monetary award of \$100 for her services as secretary at the VA Hospital, Downey, Ill.

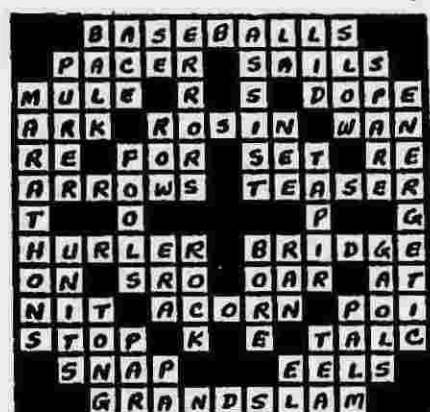

Mrs. Birr came to Downey in October, 1955 as secretary in the recreation section of the special service division. She received the "Outstanding Award" for work performance surpassing the performance requirements of her position, said Dr. W. W. Bourke, manager.

Mrs. Birr is known throughout the community for her work in connection with the Veterans Administration Volunteer Service.

HOSPITAL NEEDS SOCIAL WORKERS

Social Workers are urgently needed at the VA Hospital, Downey, Ill. The positions pay beginning salaries of \$4980 per year; \$5,985 per year; or \$6505 per year, depending upon the applicant's qualifications. A master's degree is essential.

Interested applicants may contact the Personnel Office, Bldg. 3, VA Hospital, Downey, Ill., or phone Ontario 2-1900, ext. 425, Monday through Friday for additional information.

Puzzle on page 11

How much would you steal if you had the chance?

Shocked at the thought? Yet the truth is that honest, everyday people are stealing the lives of others in traffic accidents! It's just criminal—you can help stop it!

BACK THE ATTACK ON TRAFFIC ACCIDENTS

Here's how you can help:

1. Drive safely, courteously yourself. Observe speed limits, warning signs. Where traffic laws are obeyed, deaths go DOWN!
2. Insist on strict enforcement of all traffic laws. They work for you, not against you. Where traffic laws are strictly enforced, deaths go DOWN!

Support your local Safety Council

Motor Club Gives Tips For Using Car in Winter

With temperatures in some Midwest areas already plunging near the freezing mark, the Chicago Motor Club advises that it is important to winterize your car now.

Motorists can save trouble, time, and expense by preparing their automobiles for cold weather before the frost warnings become too severe. The Motor Club's Emergency Road Service department points out that by winterizing now, you can avoid delays at service stations and garages and damage to your car.

To avoid the rush, which will start immediately after the first below freezing morning, the Club recommends the following protective measures—now:

1. Drain and flush the radiator—check all hose connections and thermostat. Tighten clamps and add standard brand anti-freeze solution.
2. Check ignition system, generator, voltage regulator, and distributor points. Reset timing. Clean or replace spark plugs.
3. Test battery for full charge. Clean battery terminals and tighten battery cables. Replace worn out battery and cables.
4. Check the fuel pump. A faulty fuel pump will fail to pump gasoline to the engine from the gas tank.
5. Apply light weight winter grade oil and grease. Be sure your engine and gears are properly lubricated.
6. Make sure your defroster is

working properly.

7. Don't wait for your windshield wipers to get stuck. Have them checked before cold weather sets in.

The Motor Club also offers the following tips for smooth winter driving:

1. Keep battery fully charged. Have it checked at least once a week. In zero weather, your battery is only 40 per cent efficient.
2. To prevent your gas line from freezing, add eight ounces of grain alcohol or approved commercial solvent to every other full tank of gasoline.
3. Keep your car's electrical system dry. Drive slowly through water. A flooded distributor spark plug will stall the engine.
4. Don't park in standing water. Tires may freeze to the pavement.
5. Leave earlier and drive slower when roads are covered with snow or glazed with ice.
6. Use second or high gear when starting in snow.
7. Be sure that your automobile trunk contains a bucket of sand, salt or gravel, and a shovel for throwing these abrasives under your tires to provide traction on icy pavements or snow bound gutters.
8. Make sure you have a small ice scraper and a whiskbroom for snow in your glove compartment.

For quick results, place a want ad by calling 43 or 44.

Man of Many Talents

Thomas Alva Edison, the immortal inventor of the electric light, phonograph, and other major items, was a man of such varied talents, according to the archives of McGraw-Edison Company, that he experimented with and marketed cement—and Edison concrete was used to build such structures as the Yankee Stadium in New York.

An automotive invention that is greatly needed—brakes that automatically get tight when the driver does.

Almost Lost Famed Inventor
The world almost lost Thomas A.

Edison in his teens when a policeman, not knowing of his partial deafness, mistook him for a thief one night, and shouted a warning which got no response, then fired a bullet past his head.
